Following Reasons:

- Forced to take 10% pay cut since 2007
- No contract with my Union (SAAA) since 2008
- Paying \$100 a month for parking working Downtown when most companies pay for their employees parking unlike the city of Detroit. City has leased and sold their parking lots.
- Lost a half hour for lunch, lost reserved sick bank, lost swing holidays
- Several new Consultants and Contractors doing same work as City employees but being paid double and triple the money.
- No raise in over 8 years
